

WILLIAM OGBURN

FULL STACK DEVELOPER

CAREER OBJECTIVE

As a Full Stack Developer, I always work diligently to ensure that my finished products are not only functional but also pleasing visually. I am an extraordinarily driven individual who, through intuitive design, seeks to motivate those around me. Through hard work and crisp design, I will be a valued member of any team. As the saying goes, "actions speak louder than words". Reach out today, and I assure you that my actions will prove to be a huge asset.

EXPERIENCE

FULL STACK DEVELOPER

Coder Foundry Full Stack Development Bootcamp, NC / Jan 2022 - Jan 2022

FARM MANAGER

Powerhouse Farms, Wolf Pit, NC / Jan 2020 - Aug 2021

As a farm manager I was solely responsible for the upkeep of the chicken houses. Which included, but was not limited to: making sure that feed orders were delivered accurately and on time, handling any electrical or waterline issues, and keeping track of the medical history of the birds.

CARPENTER

First Cut Builders, Pinehurst, NC / Apr 2018 - Jan 2020

As a carpenter I used precision and timing to make sure that our projects came out perfectly and timely. I also handled inventory and ensured that it was delivered to the jobsite on time or before the materials were needed.

MANAGER

Pizza Hut, Wilmington, NC / Jul 2015 - Aug 2017

As a manager of Pizza Hut I was responsible for employee management, scheduling, inventory, and all customer service queries.
